

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-3285/1dn
JTK:bjk:rs

August 24, 2009

Peter Maternowski:

1. Per our telephone conversation on August 21, I asked you to reflect on the extent you wished to require public notice or bidding or competitive sealed proposals on any projects that may be contracted under the proposed alternative contracting procedures.
2. Under this draft, public notice and bidding are not required on projects constructed in accordance with alternative contracting procedures, if authorized by the Building Commission for projects requiring commission approval. However, the draft does not suspend any other provisions of s. 16.855, stats., for such projects. The Building Commission may waive compliance with those provisions under s. 13.48 (19), stats. If something more is needed, please let me know.
